

AAHSL Teaching and Learning Committee (TLC) Report
 October 2016

2015-2016 Summary

This year the Teaching & Learning Committee completed the final Fast Facts flyer on Entrustable Professional Activities (EPA). It has been a pleasure working with this group. Though our in person meetings have had lively discussions about the different ideas we might pursue, I think the day to day work demands have been considerable and the work of this committee not urgent enough to support the follow through. As such, the committee is going on hiatus until the membership feels it is needed again.

Our 2015 members included:
