

AAHSL Research Services Committee Charge

1. Oversee and coordinate AAHSL's efforts to enhance research support services in member libraries through educational programs, workforce development, best practices and resource material
2. Undertake periodic surveys of AAHLS members to identify research support services provided by AAHSL libraries and prioritize those to be addressed by the committee
3. Provide training and development opportunities to keep AAHSL members abreast of research trends
4. When possible partner with the AAMC Group on Information Resources on research initiatives where there is mutual interest
5. Deliver a committee work plan to the AAHSL Board on a yearly basis.
