Medical Library Association and
Association of Academic Health Sciences Libraries

Resolution

Honoring David B. Moore, Senior Director for Government Relations,
Association of American Medical Colleges

Presented November 7, 2014

Whereas, David B. Moore (Dave) has served as Senior Director for Government Relations at the Association of American Medical Colleges (AAMC) since 1984;

Whereas, Dave has furthered the mission and goals of the National Institutes of Health (NIH) and the National Library of Medicine (NLM) through his leadership, knowledge and expertise of legislative issues related to the federal budget and appropriations, research and research training, health professions education public health and ethical issues in science and medicine;

Whereas, Dave has supported the goal of the Medical Library Association (MLA) and Association of Academic Health Sciences Libraries (AAHSL) to extend our sphere of influence by collaborating with organizations and agencies that also support the programs and services of the NIH and NLM;

Whereas, Dave has graciously and selflessly supported the work of the Joint MLA/AAHSL Legislative Task Force by providing timely and informative reports about the annual appropriations process and other relevant AAMC programs that help prepare the Task Force for its annual Capitol Hill meetings;

Whereas, Dave has established ongoing and effective communication with AAMC and Ad Hoc Group for Medical Research members through his service as Editor of the Washington Highlights and the Ad Hoc Group Weekly Roundup;

Whereas, Dave has furthered the goals of the AAMC and Ad Hoc Group for Medical Research to strengthen the world’s most advanced medical care and improve our nation’s health through his collaboration with its coalition partners, including MLA and AAHSL; therefore, be it

Resolved, that the Medical Library Association and Association of Academic Health Sciences Libraries congratulate Dave Moore for 30 years of outstanding leadership and service to the AAMC and members of the Ad Hoc Group for Medical Research, including MLA and AAHSL, which has made a difference and strengthened the message all our organizations bring to members of Congress on behalf of our nation’s biomedical, research, and education communities.

Adopted by the Board of Directors of the Medical Library Association and Association of Academic Health Sciences Libraries Board of Directors
