

Web Editorial Board

Annual Report 2012-2013

An in-person meeting of the Web Editorial Board was held November 4, 2012 in San Francisco, CA in conjunction with the AAHSL/AAMC Annual Meetings. Judy Consales chaired the meeting and attendees included Nancy Tannery and Linda Walton. MJ Tooley attended as Board liaison.

The committee continued to work with staff at the AAHSL office to make refinements to the site and remove old files. Moving to a new site design was worthwhile and efforts are ongoing to further develop the web site however challenges remain about allocating time to a site that does not get high use. Previous web site committees expressed similar concerns about adding photos of member libraries, news feeds, etc. because of the need to refresh this content on a continual basis. Informal surveys of AAHSL members indicate that they use the site on an occasional basis for meeting or directory information. Board members had expressed issues regarding accessing of files but this appears to be problematic to resolve due to system limitations.

Recommendations from members for changes or modifications are most welcome. Linda Walton will be assuming chair responsibilities effective November 2013.
